Close-up

\*Prestone® All Vehicles Antifreeze + Coolant meets Ford Motor Company's newest coolant specification WSS-M97B57-A1 (concentrate) and WSS-M97B57-A2 (50/50 pre-dilute). Prestone® North American Vehicle Antifreeze + Coolant is also fully compatible with Ford's newest coolant specifications. Prestone® American Vehicles (Orange) Antifreeze + Coolant is compatible with DEX-COOL® Antifreeze + Coolant and works with all other fluid colors. This chart is a guide based on industry research. Check your owners manual specific to Antifreeze+Coolant. Changes in data/discrepancies and formulas may occur. Prestone.com or 1-888-269-0750 for requirements and limitations. \*\*Against engine-damaging rust and corrosion vs. the top Branded All Vehicle and Vehicle Specific Antifreeze + Coolants sold in the US (assumes retail unit sales from September 2020 to August 2021 per NPD tracking data). DEX-COOL® is a registered trademark of General Motors LLC, used under license.

Prestone Patented technology for All Vehicles, Asian (red, blue, green fluids) and American (orange & purple fluids). European formulas use different technology and not represented in this graphic.
